## EE in the Northeast

- EE funding in Northeast states
- EE in retail default service
- EE in RTO procurement
- EE in RTO governance (sector voting)
- EE in capacity markets
- EE in RGGI
- EE in environmental compliance
- EE in high price energy markets

## EE Funding by State

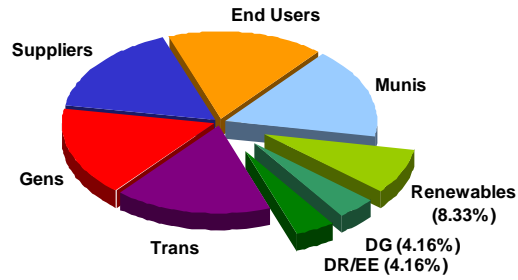

## EE in ISO-NE Procurement

- Southwest Connecticut GAP RFP
- RFP issued December 2003, seeking 300 MW
- Proposals (for 2007) summer average capacity:

C&LM	11 MW
Demand Response	354 MW
Generation	719 MW
Total	1084 MW

# EE in RTO Governance

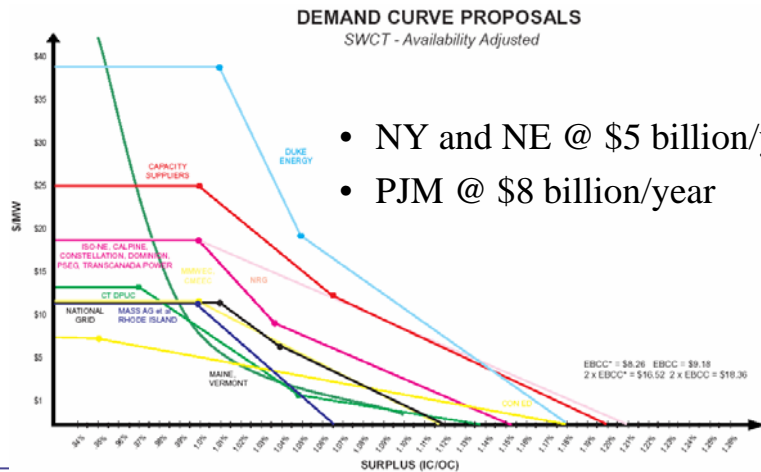

NEPOOL Alternative Resources Sector  
at 16 2/3 % voting Share

Synapse Energy Economics

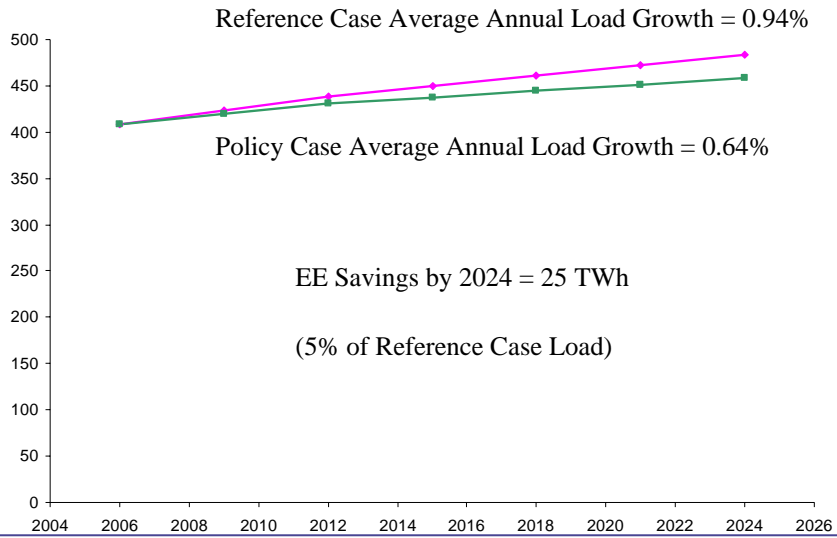

# EE Value in Capacity Markets

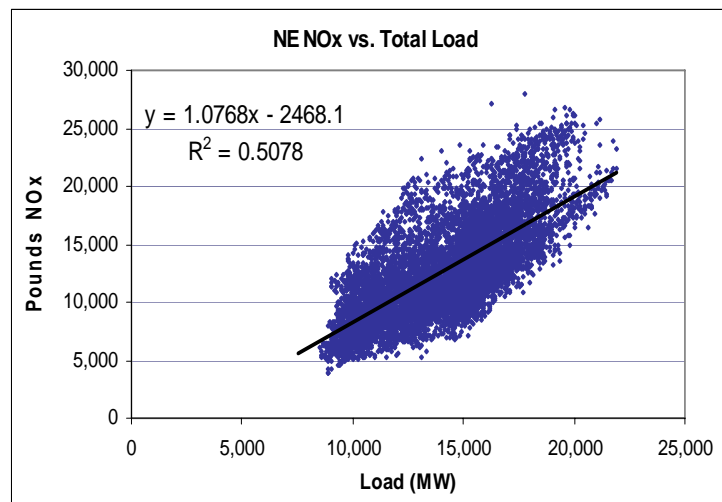

Synapse Energy Economics

## EE in Regional CO2 Policy (RGGI)

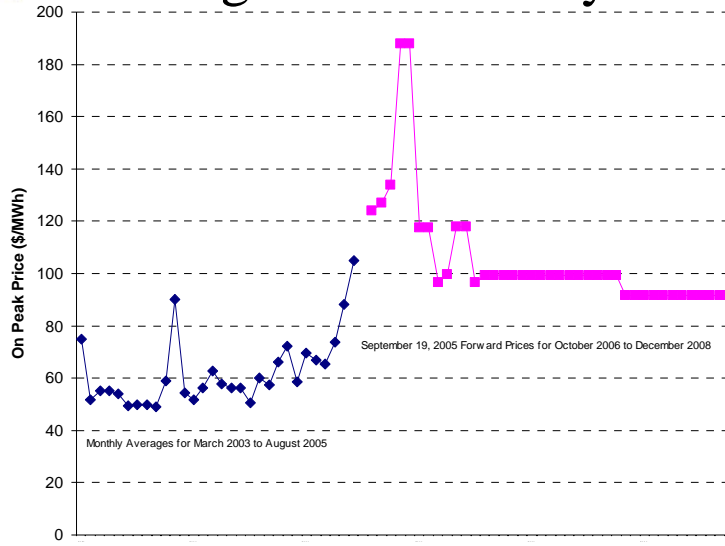

## New England Hourly NOx

# New England Electricity Prices
