| Title | Category | Lead Author First Name | Lead Author Last Name | Lead Author Organization |
|--|-----------------|-------------------------------|------------------------------|--|
| Transforming energy assistance through innovative partnerships | Oral | Frank | Rapley | Tennessee Valley Authority |
| System Efficiency Policy: The Next Level of Energy Savings | Oral | Hans-Paul | Siderius | Netherlands Enterprise Agency |
| Equity in Solar – Using Geospatial and Survey Data to Assess Performance and Identify Opportunities | Oral | Daniel | Bausch | APPRISE Incorporated |
| TECH Clean California’s Market Transformation Approach: Lessons Learned in Year 1 | Oral | Teddy | Kisch | Energy Solutions |
| Building the Next Generation: The 20-Year Evolution of the U.S. DOE Solar Decathlon from a Collegiate Prize to Multi-faceted Clean Energy Workforce Platform | Oral | Holly | Carr | U.S. Department of Energy |
| Evolving Green Leasing: How Real Estate Can Integrate Social Equity in Leases | Oral | Audi | Banny | Institute for Market Transformation |
| Industry and utility collaboration to change midstream behavior to increase the availability and adoption of highly efficient pumps | Oral | Christopher | Sullivan-Trainor | Consortium for Energy Efficiency |
| Building Performance Standards to Drive Market Transformation | Oral | Véronique | Bugnion | ClearlyEnergy, Inc. |
| Code Enforcement as a Lever to Address Multifamily Hesitance to Participation in Energy Efficiency Programs | Oral | Matt | Galport | ILLUME Advising |
| The Missing Piece: How Test Procedures Enable Market Transformation | Oral | Rebecca | Hovey | Cadeo Group |
| Contech to Accelerate Cleantech: Seeding Emerging Innovation Programs for Construction Productivity and Energy Efficiency Integration | Oral | Ankur | Podder | Community and Urban Science Research Group, National Renewable Energy Laboratory, Golden, CO |
| The Launch of the Partnership for Advanced Window Solutions: Give the People What They Want, Windows! | Oral | Elaine | Miller | NEEA |
| A Roadmap to Achieve Equitable Access to Efficient Home Appliances | Oral | Marti | Frank | Efficiency for Everyone |
| Industrial Buy-in for Embodied Carbon Building Codes | Oral | Pavitra | Srinivasan | American Council for an Energy Efficient Economy (ACEEE) |
| Getting the Most Out of State Standards | Oral | Claire | Miziolek | Energy Solutions |
| Building A Market for Community Scale Heat Pumps | Oral | Elihu | Dietz | DNV |
| Getting to Zero: The Critical Role of Efficiency | Oral | Philippe | Dunsky | Dunsky Energy + Climate Advisors |
| Pulling Out All the Stops: Gas Utilities Poised for Best-in-Class Bi-National Market Transformation | Oral | Jim | Jerozal | North American Gas Heat Pump Collaborative |

|--|-----------------|-------------------------------|------------------------------|---------------------------------------|
| Using Programs in Tandem with Codes and Standards to Transform Markets at Speed and Scale | Oral | Nicole (Nicky) | Dunbar | Northwest Energy Efficiency Alliance |
| How Ameren IL is Leveraging MT to Accelerate Adoption of Luminaire Level Lighting Controls | Oral | Rita | Siong | Resource Innovations |
| Insulation for the Future: Circular Stone Wool | Oral | Alejandra | Nieto | ROCKWOOL Group |
| Making Market Transformation Mainstream in Illinois | Oral | Jim | Fay | ComEd |
| The Powerful and Hidden Role Natural Gas Can Play in Decarbonization | Oral | Allen | Dusault | Franklin Energy |
| Commercial Building Sensors and Controls: Cost Stack and Adoption Barriers | Oral | Kim | Trenbath | National Renewable Energy Laboratory |
| Pump up the (heat pump) volume! Why Supply Chain Strategies are Critical to Heating Technologies Market Transformation | Oral | Alex | Hill | Dunsky Energy + Climate Advisors |
| Shell Upgrades: The First Step for Deep Retrofits | Oral | Dulane | Moran | Cadeo Group |
| Strategic Energy Management and Metrics for Market Transformation | Oral | William | Miller | Lawrence Berkeley National Laboratory |
| Equitable and Actionable Clean Energy Workforce Development Toolkit | Oral | Laura | Giannini | TRC |
| Aligning California's Market Support and Market Transformation Programs | Oral | Cody | Coeckelenbergh | Lincus, Inc. |
| The Other Meta - How the Minnesota Efficiency Technology Accelerator will Advance Market Transformation | Oral | Carl | Nelson | Center for Energy and Environment |
| Competition, Collaboration, Transformation! A look back at the building energy data disclosure paradigm shift. | Alternate | Genevieve | Gauthier | Econoler |
| The Future of Data Access to Drive Energy and GHG Performance in Buildings | Alternate | Brendan | Hall | EPA ENERGY STAR |
| Policy Onramps: Using Passive House to Accelerate Building Decarbonization | Alternate | Bronwyn | Barry | The Passive House Network |
| The Role of Pollution Standards in Electrifying Appliances | Alternate | Jim | Dennison | RMI |
| The Clean Heat Standard: A New Tool for Greater Efficiency and Lower Emissions in Buildings | Alternate | Richard | Cowart | Regulatory Assistance Project |
| Market barriers and drivers for the next generation Fault Detection and Diagnostic Tools | Alternate | Guanjing | Lin | Lawrence Berkeley National Laboratory |
| Look in the Mirror, then Move Forward: Improving the Diversity Equity and Inclusion of the Energy Efficiency Industry | Alternate | Jarred | Metoyer | DNV |
| Connecticut Department of Energy Home Energy Score Initiative | Visual | John | Karyczak | Avangrid |
