

How to Make a Gift of Stock to the American Council for an Energy-Efficient Economy

Thank you for considering a gift of stock to the American Council for an Energy-Efficient Economy (ACEEE)! Making a gift of appreciated assets is a wonderful way to help combat climate change by helping ACEEE scale up energy efficiency efforts in appliances, buildings, vehicles and industrial plants – and it's easy!

Step 1: Share the following information with your broker:

Account:	AMER CNCL FOR ENRGY-EFF ECON
