

2020 SUMMER STUDY ON ENERGY EFFICIENCY IN BUILDINGS PARTICIPATING ORGANIZATIONS

Advanced Building Performance, Inc.	California Public Utilities Commission	County of San Mateo
AEA	Cascade Energy	C-PACE Alliance
AEP Ohio	Center for Earth Energy and Democracy	CRIEPI
AESC, Inc.	Center for Energy and Environment	Danish Energy Agency
AMCA International	Center for the Built Environment	Daybreak Climate Consulting
American Council for an Energy-Efficient Economy	CenterPoint Energy	DC Department of Energy and Environment
American Efficient	Central Research Institute of Electric Power Industry	DC Sustainable Energy Utility
American Gas Association	City of Boise	Department of Housing and Urban Development
Analysis Group	City of Bowie	Department of Commerce
Apex Analytics	City of Minneapolis	DNV GL
Appliance Standards Awareness Project	City of Seattle	Dream Corps/Green for All
APPRISE	CLASP	Dunsky Energy Consulting
Ardenna Energy, LLC	Clean Energy Center at Penn College	E Source
Association for Energy Affordability	Clean Energy Works	E4theFuture
Australian Commonwealth	CLEAResult	ecobee, Inc.
Avangrid	CNT	Ecology Action
BayREN/MTC	Colorado State University	Ecotope, Inc.
BC Hydro	Columbia Gas of Ohio	Efficiency for Everyone
Better Climate Research and Policy Analysis	Columbia University	Electric Power Research Institute
BGIS	ComEd	Elevate Energy
Bonneville Power Administration	Common Spark Consulting	EMI Consulting
Brandenburg University	Community Development Finance Authority	Energy 350, Inc.
Broward County	Concordia University	Energy and Carbon Efficient Buildings
Building Performance Association	Consortium for Energy Efficiency	Energy Foundation
Building Metrics Inc.	Consulate General of Denmark	Energy Shrink, LLC
Buildings Alive	Consumers Energy	Energy Solutions
California Energy Commission	Coughlin & Associates Energy Consulting	Energy Trust of Oregon
California Institute for Energy & Environment		Enervee
		Enovity
		ERS
		Eugene Water & Electric Board

Evergreen Economics	Indigenous Clean Energy	MN Department of
Eversource	Social Enterprise	Commerce
Facilitating Power	Industrial Technology	Morgan Marketing Partners
Facility Energy Solutions	Research Institute	NAHB
Fannie Mae	Institute for Energy Studies	National Association of State
Firefly Energy Consulting LLC	at Western Washington	Energy Officials
Florida Solar Energy Center	University	National Grid
Fort Collins Utilities	Institute for Market	National Housing Trust
FortisBC	Transformation	National Renewable Energy
Franklin Energy	Instituto Tecnológico y de	Laboratory
Fraunhofer	Estudios Superiores de	National Research Council
FreMarq Innovations, Inc.	Monterrey	Canada
Frontier Energy, Inc.	International Institute of	Natural Resources Canada
Georgetown University	Information Technology	Natural Resources Defense
Go Sustainable Energy, LLC	Iowa Office of Consumer	Council
Google	Advocate	Netherlands Enterprise
Green Energy Economics	Itron	Agency
Group, Inc.	Johns Hopkins School of	New Buildings Institute
Greenlining Institute	Public Health	New Ecology, Inc.
Group14 Engineering, PBC	Johns Manville	Newfoundland Power
GS Service Ltd.	Johnson Consulting Group	Nexant
GSA	Johnson Controls	North American Insulation
Guidehouse	Judicial Council of California	Manufacturers Association
H. Gil Peach & Associates	Kannah Consulting	North Carolina State
Hillcroft Group LLC	kW Engineering	University
Holy Cross Energy	Lawrence Berkeley National	Northwest Energy Efficiency
Home Diagnostic Solutions of	Laboratory	Alliance
Savannah	Legrand/Wattstopper	Nova Scotia Department of
Howard University	Lewis & Clark Law School	Transportation &
Huntsville Utilities	Lime Energy	Infrastructure Renewal
Hydro-Quebec	Lincus Inc.	NW Energy Coalition
ICF	MaGrann Associates	NW Natural
Idaho Power Company	Mazzi Consulting	NYSERDA
ILLUME Advising	MCE	Oak Ridge Institute for
Independent Electricity	Metropolitan Area Planning	Science and Education
System Operator	Council	Oak Ridge National
Independent/RTF	MGE	Laboratory
Indicia Consulting	Michaels Energy	Office of Energy Resources
	Midwest Energy Efficiency	Oklahoma Gas and Electric
	Alliance	Company
	Mitsubishi Electric US	ON Semiconductor

Opinion Dynamics Corporation	SitelogIQ	UC Davis
Optimal Energy Inc.	Skumatz Economic Research Associates, Inc.	UCI
Oracle Utilities	Slipstream	UCLA
Oxford Brookes University	Smart Buildings Center	UHope Consulting, LLC
Pacific Gas & Electric Company	SoCalGas	United Illuminating
Pacific Northwest National Laboratory	Southern California Edison	Universidad Nacional del Sur
Partnership for Southern Equity	Southern Company	University College London
Pennsylvania College of Technology	Stanford/EDF	University of Cincinnati
Pioneer Valley Planning Commission	State of Connecticut, Department of Energy & Environmental Protection	University of Delaware
Port of San Diego	Stewards of Affordable Housing for the Future	University of Denver
Power TakeOff	Stillwater Energy	University of Edinburgh
Prism Engineering Ltd.	Stone Energy Associates	University of Maryland
Proctor Consulting	StopWaste	University of Michigan
Public Utility District No. 1 of Chelan County	Sustainable Resources Center	University of Oregon
Red Car Analytics	Sustainable Resources Management	University of Vermont
Regulatory Assistance Project	Synapse Energy Economics	University of Virginia
Resilient Edge	Taco Comfort Solutions	University of Washington
Resource Innovations	Tempest Advisors	University of Wisconsin
Resource Refocus	The American Institute of Architects	US Climate Alliance
Rextor Group	The Energy Coalition	US Green Building Council
Rhode Island Office of Energy Resources	The Kresge Foundation	USDA
Reducing Outdoor Contaminants in Indoor Spaces	The Mackinac Technology Company	Utah Clean Energy
Rocky Mountain Institute	TRC Companies	UT – Battelle
Saldo Research	U.S. Department of Energy	VEIC
Samsung Electronics America	U.S. Energy Information Administration	Verdant Associates, LLC
SBW Consulting	U.S. Environmental Protection Agency	Verified Inc.
Schiller Consulting	U.S. Government Accountability Office	W.L. Gore & Associates
Schlegel & Associates	U.S. House of Representatives	Walking Mountains Science Center
Seal Bay Fund	UC Berkeley	Washington State University Energy Program
Seattle City Light		Waypoint Energy
		WE ACT for Environmental Justice
		Western Washington University
		Willdan
		Wirtshafter Associates, Inc.

Xcel Energy

Xergy Consulting

XeroHome/Vistar Energy

Yale University

Yinsight, Inc.

ZYD Energy, Inc.
